

**Anaesthetists. Macedon Ranges area. Practice based in Kyneton.**

GP or Specialist Anaesthetists able to support a range of regular surgical lists and agreeable to providing after hours call for Obstetrics are required to start as soon as possible in the splendid township of Kyneton.

GP Anaesthetists could work from a busy private and innovative group practice with admitting rights to the Kyneton District Hospital, whose catchment extends across the Macedon Ranges. The practice is fully accredited offering a generous fee split and is ideally suited to GP's wanting a semi-rural or peri-urban setting close to Melbourne.

Surgical specialities currently include General, ENT, Plastics, Urology, Gynaecology, Dental, Ophthalmology and Endoscopy, with Orthopaedics and Vascular commencing soon.

Current competence and confidence supporting obstetrics service (i.e. epidural, interventional and surgical birthing, neonatal resuscitation) and a willingness to maintain competency is mandatory.

Kyneton is 85kms north-west of Melbourne on the Campaspe River, just off the Calder Highway. It is a growing rural hub with an artistic and gastronomic focus including the renowned Piper Street precinct and a varied events calendar. Kyneton has a new modern hospital, a town bus service and a railway station on the Melbourne-Bendigo line. It has two primary and two secondary schools.
